ABOUT SHIPADMIN

Shipadmin AS is a Norwegian IT company specializing in administrative solutions for ships and ship-owners office.

Our main focus is on the needs of the modern vessel fleet throughout the world. Some of the biggest and most innovative vessel owners in the world rely on our products in their everyday work both at sea and at the beach.

We have a highly dedicated, hard working and motivated staff. Among them, we have people with long experience as sailing officers on some of the most complex vessels in the business. We are proud to say that we know this industry and understand its needs.
