PRESS RELEASE

Shipadmin Signs Up Siem Offshore

Shipadmin has signed up Siem Offshore, an operator of highly sophisticated and modern vessels.

Volda, Norway, 15th April, 2010: Shipadmin Captains Secretary 2.0 will be signalled on board the entire Siem Offshore fleet. The corresponding FleetManager 2.0 will be installed at the shore office of Siem Offshore. Both solutions will be tailored to Siem Offshore requirements.

Siem Offshore operates a very modern fleet of large and sophisticated Platform Supply Vessels, Multi Role Support Vessels and Anchor Handling Tug Supply Vessels. Able to cater for a large number of persons, the vessels are able to deliver whatever service might be required anywhere in the world. For more information about the Siem Offshore Vessels, kindly visit www.siemoffshore.com.

Shipadmin's solutions will ensure that documentation and reporting is done according to rules and regulations set worldwide. The solutions will be tailored to adapt requirements set by Siem Offshore.

Says Mr. Per Magnus Grøsvik, GM, Shipadmin: "Shipadmin has proven that it has a world class portfolio of solutions by signing up with Siem Offshore. Siem Offshore has vessels that are very large, modern and demanding. I am very much looking forward to working closer with them in adapting the solution according to their requirements".
